Review:

Bleach Vol 31: Don't Kill My Volupture is a must-read for any fan of the popular anime and manga series. This volume collects chapters 268-287 and features the thrilling battle between Ichigo Kurosaki and Byakuya Kuchiki.

The battle between Ichigo and Byakuya is one of the most intense and well-written fights in the entire series. Kubo does an excellent job of showcasing both characters' strengths and weaknesses, and the outcome of the fight is anything but certain.
