Every Drunken Cheerleader Why Not Me is the unforgettable story of a cheerleader's journey to redemption. This book is a must-read for anyone who has ever struggled with addiction, self-harm, or depression. It is a story of hope, healing, and recovery.

The author, Sarah, was a cheerleader in high school and college. She was popular, outgoing, and had a seemingly perfect life. But behind closed doors, Sarah was struggling with a secret addiction to alcohol. She would drink to numb the pain of her parents' divorce and to escape the pressures of her life. Over time, her drinking spiraled out of control and she began to self-harm.

Sarah's life was in shambles. She lost her scholarship, dropped out of college, and was estranged from her family. She was alone and desperate. But then, she found hope in a 12-step program. With the help of her sponsor, Sarah began to rebuild her life. She went back to school, got a job, and reconnected with her family.

Today, Sarah is a successful woman who is passionate about helping others. She speaks to groups about her experience with addiction and recovery. She is also a volunteer for a local homeless shelter. Sarah's story is a reminder that no matter how dark things may seem, there is always hope for redemption.
