Interviews with the Cast and Crew

This book also includes exclusive interviews with the cast and crew of *Girl Blood Sport*. You'll hear from the actresses who played the four main characters, the director, the producers, and the stunt coordinator. These interviews are a great way to learn more about the people behind the film and to get their insights on the making of this cult classic.

"*Girl Blood Sport* was a wild ride from start to finish," said actress Monique Van Vooren, who played the character of Our Book Libraryia. "We had a lot of fun making the film, but it was also a lot of hard work. The fight scenes were particularly challenging, but we all pushed ourselves to the limit."

"I wanted to make a film that was both entertaining and thought-provoking," said director Riz Ortolani. "I think *Girl Blood Sport* does both of those things. It's a fun and exciting film, but it also has a lot to say about the exploitation of women in the media."

Detailed Look at the Film's Production History

This book also includes a detailed look at the film's production history. You'll learn about the film's early development, the casting process, the filming process, and the post-production process. You'll also learn about the film's critical and commercial reception, and its legacy as a cult classic.

Girl Blood Sport was a low-budget film that was shot in just 28 days. The film's budget was so low that the cast and crew had to work long hours and often had to make do with whatever resources were available. Despite the challenges, the cast and crew managed to create a film that is both entertaining and thought-provoking.

Girl Blood Sport was a critical and commercial failure when it was first released. However, the film has since gained a cult following, and it is now considered to be one of the best exploitation films ever made.
