

Greater Than Tourist Baguio City Benguet Philippines

Discover the Enchanting City of Pines

Nestled amidst the verdant mountains of the Cordillera Region, Baguio City beckons travelers with its captivating charm and abundance of natural wonders. Known as the "Summer Capital of the Philippines," Baguio offers a refreshing respite from the tropical heat with its cool, invigorating climate and lush pine forests. Our book, 'Greater Than Tourist Baguio City Benguet Philippines,' is your ultimate companion as you embark on an unforgettable journey through this enchanting city.

A Tapestry of History

Baguio's rich history is intertwined with the indigenous peoples who first inhabited these mountains, the Igorot people. The city's founding in 1900 by American colonizers marked a new chapter, and its strategic location made it a significant military and administrative center. Through the years, Baguio has witnessed numerous events that have shaped its identity, from the Philippine-American War to the Second World War. Our book delves into the fascinating historical tapestry of Baguio City, unveiling the stories and characters that have left an enduring legacy.
