From Colonial Era to Modern Times

The speeches in this anthology span centuries, from the soaring words of Patrick Henry and Thomas Paine during the American Revolution to the

unforgettable speeches of Abraham Lincoln, Frederick Douglass, and Martin Luther King Jr. during the fight for civil rights.

Young people will be enthralled by the eloquence of these speeches, which address timeless themes of liberty, equality, justice, and the pursuit of dreams. They will witness the power of words to ignite passion, inspire change, and shape the course of history.

More Than Just Words

"American Heritage of Great American Speeches for Young People" is more than just a book; it's an educational tool and a source of inspiration. Each speech is accompanied by a brief that provides context and explains the significance of the speech.

Discussion questions and writing prompts at the end of each section encourage young readers to engage with the material, reflect on the speeches' themes, and develop their own critical thinking and communication skills.
