By Paul Duncan

Journey To Star Wars is a new book that tells the story of the creation of the Star Wars franchise. The book is written by Paul Duncan and is published by Taschen. It features over 500 images from the Lucasfilm archives, including concept art, storyboards, and behind-the-scenes photos.

The book begins with a look at the early life of George Lucas and his influences. It then follows the development of the Star Wars story, from its humble beginnings as a student film to its eventual release as a blockbuster movie. The book also includes interviews with Lucas and other key members of the Star Wars team.

Journey To Star Wars is a must-have for any Star Wars fan. It is a beautifully designed book that is packed with stunning images and fascinating insights into the creation of one of the most iconic film franchises of all time.

Table of Contents

-
- The Early Years
- The Development of the Star Wars Story
