2. **Newborn Size:** Perfect for babies weighing up to 8 pounds.

Choosing the Perfect Yarn

The yarn you choose will significantly impact the feel, warmth, and durability of your baby cocoon papoose. Opt for soft, breathable yarns that are gentle on your baby's delicate skin. Some recommended yarn types include:

- **Merino Wool:** Known for its exceptional softness, warmth, and moisture-wicking properties.
- **Cotton:** A natural, hypoallergenic choice that is soft, breathable, and easy to care for.
- **Acrylic:** A synthetic yarn that is durable, affordable, and available in a wide range of colors.

Consider the season and your baby's temperature preferences when selecting the yarn weight. Thicker yarns will provide more warmth, while lighter yarns are ideal for warmer climates or layering.
