Review by [Author's Name]

In her beautifully written and deeply moving book, *Pandemic With Dogs: Two Essays*, [Author's Name], a veterinarian, explores the complex and profound bond between humans and dogs during the COVID-19 pandemic.

Through two personal essays, Dr. [Author's Last Name] shares her experiences of working with dogs and their owners during this unprecedented time. In the first essay, "The Pandemic Puppies," she writes about the surge in dog adoptions during the early months of the pandemic. She describes the joy and companionship that these new furry friends brought to their owners, as well as the challenges of caring for a puppy during a time of social distancing.

In the second essay, "The Dogs Who Lost Their People," Dr. [Author's Last Name] writes about the heartbreaking cases of dogs who lost their owners to COVID-19. She describes the grief and confusion that these animals experienced, as well as the challenges of finding them new homes.

Pandemic With Dogs is a beautifully written and deeply moving book that explores the complex and profound bond between humans and dogs. Dr. [Author's Last Name]'s personal essays are both heartbreaking and heartwarming, and they offer a unique perspective on the human experience during the COVID-19 pandemic.

This book is a must-read for anyone who loves dogs, or who is interested in the human-animal bond. It is a powerful reminder of the importance of our furry friends in our lives, and it will stay with you long after you finish reading it.
