The book is the culmination of a five-year project by photographer and author Matika Wilbur. Wilbur traveled to 562 Native American nations across the United States, photographing and interviewing people from all walks of life. The resulting book is a powerful and moving portrait of Native America today.

Project 562 is divided into four sections:

- **Identity:** This section explores the complex and diverse identities of Native Americans. Wilbur photographs and interviews people from

different tribes, generations, and backgrounds, revealing the many ways that Native people define themselves.

- **Culture:** This section celebrates the rich and vibrant cultures of Native America. Wilbur photographs and interviews people who are practicing traditional arts, languages, and ceremonies. She also explores the ways that Native culture is being revitalized and preserved.
- **History:** This section examines the complex and often painful history of Native America. Wilbur photographs and interviews people who have been affected by colonialism, assimilation, and discrimination. She also explores the ways that Native people are working to heal from the past and build a better future.
- **Hope:** This section focuses on the hope and resilience of Native America. Wilbur photographs and interviews people who are working to make a difference in their communities. She also explores the ways that Native people are reclaiming their sovereignty and self-determination.

Project 562 is a must-read for anyone who wants to learn more about Native America. The book is a powerful and moving portrait of a people who have faced centuries of adversity but who continue to thrive and survive.
