Review

Scourged is a thrilling and action-packed adventure that will keep you on the edge of your seat from beginning to end. Kevin Hearne has created a rich and complex world that is filled with interesting characters and exciting plotlines.

Atticus O'Sullivan is a complex and relatable character. He is a powerful druid, but he is also a flawed human being. He makes mistakes, and he sometimes lets his emotions get the better of him. But he is always fighting for what is right, and he never gives up.

The supporting cast of characters is equally well-developed. Granuaile MacTiernan is a powerful warrior and a loyal friend. Owen Kennedy is a brilliant scholar and a skilled swordsman. And Jesus Christ is a sarcastic and irreverent observer of human affairs.

The plot of Scourged is complex and engaging. The stakes are high, and the action is non-stop. Hearne does a great job of building suspense and keeping readers guessing until the very end.

Overall, Scourged is a fantastic addition to the Iron Druid Chronicles. It is a thrilling and action-packed adventure that will keep you on the edge of your seat from beginning to end.
