Seraph of the End Vol Vampire Reign is the first volume in a popular Japanese manga series written by Takaya Kagami and illustrated by Yamato Yamamoto. The series is set in a post-apocalyptic world where vampires have taken over and enslaved humanity. The story follows Yuichiro Hyakuya, a young boy who vows to avenge the death of his family by fighting against the vampires who killed them.

The volume begins with Yuichiro and his friends being rescued from a vampire prison by the Moon Demon Company, a group of vampire hunters. Yuichiro is then taken to the headquarters of the Moon Demon Company, where he meets Krul Tepes, the vampire queen who is responsible for the death of his family. Yuichiro is determined to kill Krul and avenge his family, but he soon learns that the vampires are not as evil as he thought. In fact, Krul reveals that the vampires were once humans who were turned into vampires by a virus. Krul also tells Yuichiro that the vampires are not the only ones who are responsible for the death of his family. The humans are

also to blame, because they were the ones who created the virus that turned the vampires into monsters.

Yuichiro is torn between his desire for revenge and his newfound understanding of the vampires. He eventually decides to put his revenge on hold and work with the Moon Demon Company to find a way to cure the vampire virus. The volume ends with Yuichiro and his friends facing off against a group of vampires who are led by Ferid Bathory, a powerful vampire who is responsible for the death of Yuichiro's family.
