Lucy Diggs was born in 1881 into a prominent family in Washington, D.C. From a young age, she demonstrated a keen intellect and a passion for education. After graduating from Miner Normal School, she pursued further studies at Harvard University, becoming one of the first Black women to earn a master's degree in education.

In 1920, Diggs was appointed as Dean of Women at Howard University, a position she held for over three decades. Her tenure at Howard would be marked by groundbreaking initiatives and unwavering dedication to the advancement of Black women.

A Pioneer for Women's Education

As Dean, Diggs was instrumental in transforming the educational experience for Black women at Howard. She established the College of Liberal Arts for Women, providing a rigorous academic environment tailored to the unique needs of her students.

Under her leadership, Howard University became a renowned center for academic excellence, attracting talented students from across the country. Diggs implemented innovative programs that focused on developing leadership skills, fostering intellectual inquiry, and preparing women for success in their chosen fields.

Empowering Students to Soar

Dean Diggs believed that education was not merely about imparting knowledge but also about empowering young women to reach their full potential. She established the Dean of Women's Office, which provided a range of services that supported students' academic, personal, and professional growth.

Through her mentorship and guidance, Diggs inspired countless women to pursue their aspirations and become leaders in their communities. She encouraged them to embrace their identities, challenge societal norms, and make a positive impact on the world.

A Legacy of Audacity and Impact

Dean Lucy Diggs' legacy extends far beyond her time at Howard University. Her unwavering commitment to empowering Black women has left an enduring mark on education and society as a whole.

Today, Howard University continues to thrive as a leading institution for Black higher education, a testament to the transformative power of Diggs' vision. Her legacy inspires countless women and institutions to push boundaries, embrace audacity, and work towards a more equitable and just world.

The story of Dean Lucy Diggs is a testament to the indomitable spirit of Black women and the transformative power of education. Her audacity, determination, and unwavering belief in the potential of her students has

left a lasting legacy that continues to inspire and empower generations of women.

As we celebrate her life and accomplishments, let us embrace the audacity of Dean Lucy Diggs and strive to create a world where all women have the opportunity to reach their full potential and make a meaningful contribution to society.
