Print length : 434 pages  
Hardcover : 154 pages  
Item Weight : 14.7 ounces  
Dimensions : 7 x 0.5 x 9.75 inches

The book is written by a team of historians who have spent years researching his life and work. They have drawn on a wide range of sources, including his personal papers, interviews with his family and friends, and official government documents. The result is a comprehensive and authoritative account of his life that is both informative and entertaining.

The book is divided into three parts. The first part covers his early life and career, from his birth in a log cabin in Kentucky to his election to the United States Congress. The second part covers his presidency, from the Civil War to the Reconstruction era. The third part covers his post-presidency years, from his retirement to his death in 1921.

The book is full of fascinating details about his life and work. For example, did you know that he was a skilled wrestler and that he once won a prize for his ability to jump over a horse?

The book also provides a nuanced and balanced portrait of his character. He was a complex and often contradictory figure, who was both admired and reviled. He was a brilliant politician and a gifted orator, but he was also known for his ambition and his ruthlessness.

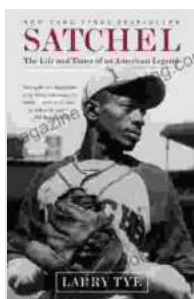

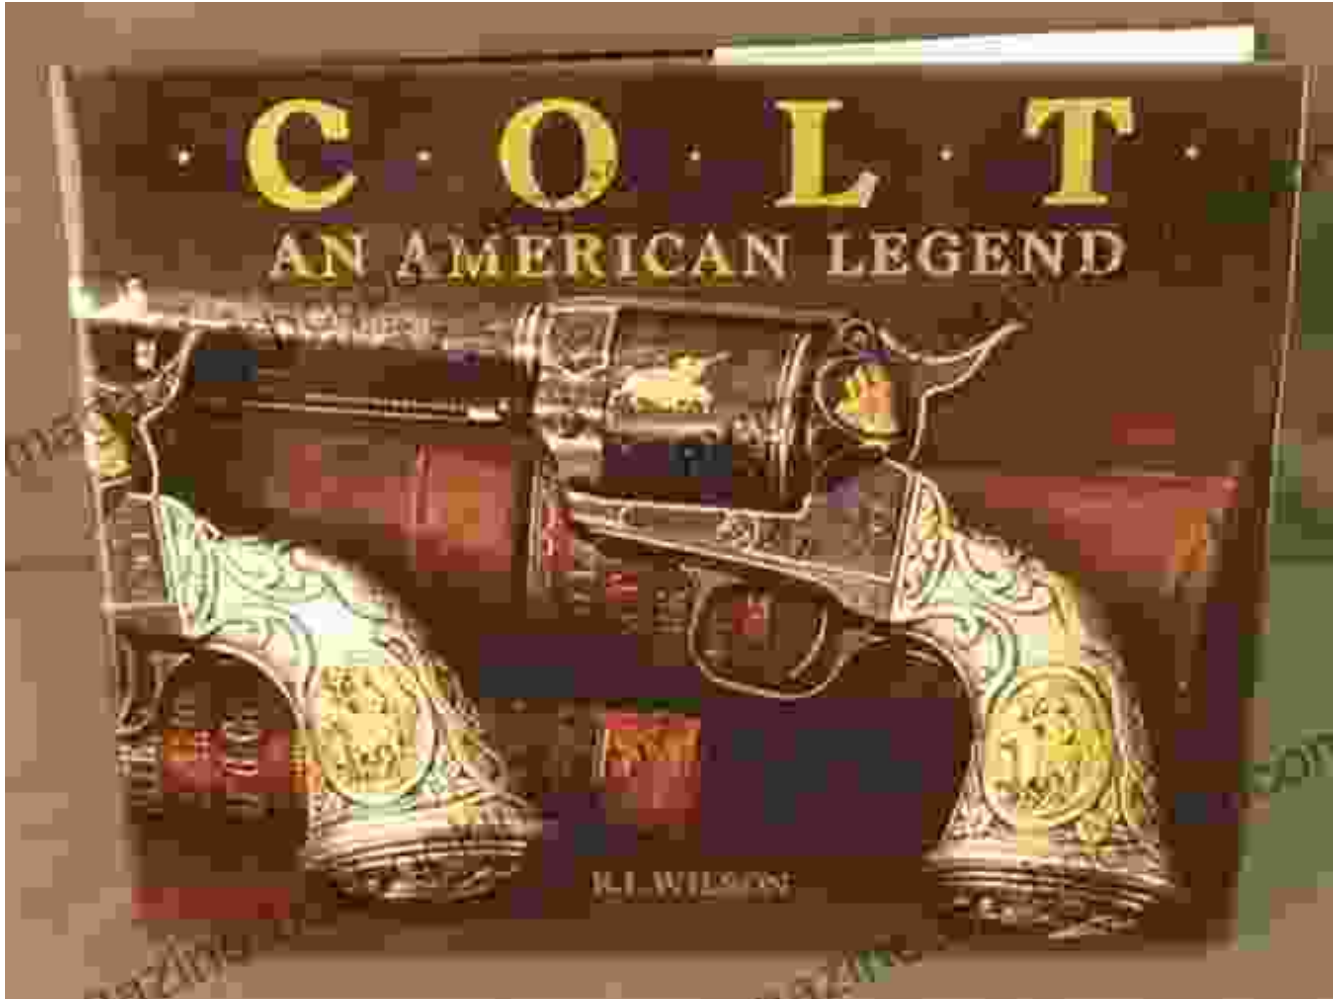

The book is a must-read for anyone who wants to learn more about one of the most important figures in American history. It is a well-written, informative, and engaging biography that will appeal to readers of all ages.
