At the heart of this story is Robert Baer, a brilliant and enigmatic CIA officer who spent years in the Middle East, where he ran some of the agency's most dangerous operations. Baer was a master of disguise and deception, and he had an uncanny ability to get close to the people who mattered most. He was also a fearless warrior who risked his life time and again to protect his country.

Baer's career took him from the front lines of the war in Iraq to the corridors of power in Washington, D.C. He witnessed firsthand the rise of Saddam Hussein and Osama bin Laden, and he played a key role in the CIA's efforts to stop them. But Baer also saw the dark side of the intelligence world, and he became increasingly disillusioned with the agency's policies.

In *The Spymaster of Baghdad*, Baer tells his story with unflinching honesty and candor. He reveals the secrets of the CIA's operations, and he exposes the failures and successes of American foreign policy. This is a gripping and unforgettable account of one man's journey through the heart of the intelligence world.

Praise for *The Spymaster of Baghdad*

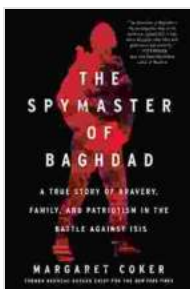

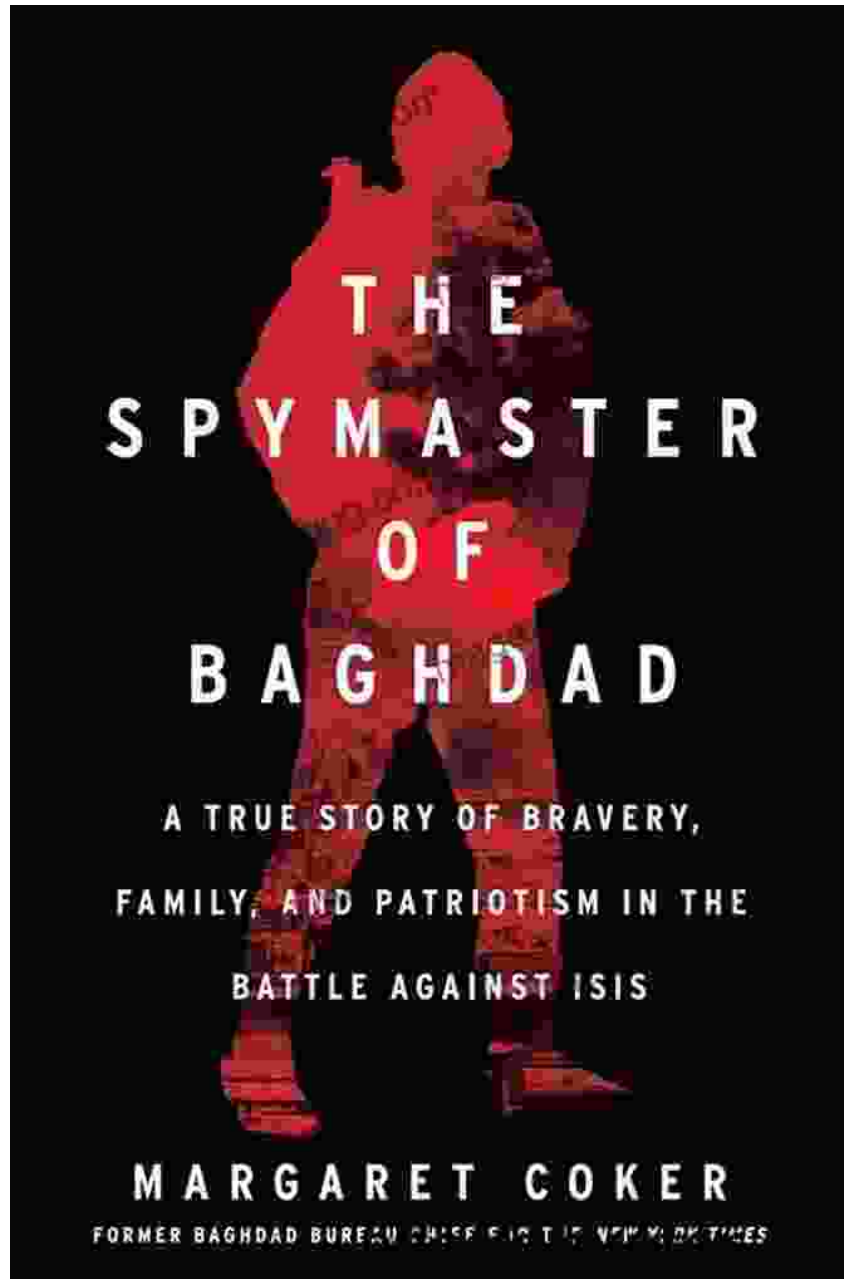

"A gripping and unforgettable account of one man's journey through the heart of the intelligence world." - *The New York Times*

"Baer is a master storyteller, and his book is a must-read for anyone who wants to understand the inner workings of the CIA." - *The Washington Post*

"*The Spymaster of Baghdad* is a fascinating and revealing look at the world of espionage. Baer's insights are invaluable, and his story is both thrilling and thought-provoking." - *The Wall Street Journal*
